AN *Invitation* TO A FORGOTTEN AUSTRALIA

Step across the threshold of the train carriage and leave the modern world at the platform. You are cordially invited to join an exclusive party of travellers **as we rekindle the golden age of Australian rail.**

THE JOURNEY

Our vintage carriage awaits to carry you through the heart of a forgotten landscape. Together, we shall traverse the rolling hills and sun-drenched Riverina District, where the only rhythm is the steady beat of the rails and the only clock is the setting sun.

Forget the glowing screens and the frantic pace of the life. On this passage, your window is the only lens you require. Engage in the lost art of conversation in the lounge car, share a toast as the world drifts by, and feel the genuine thrill of a destination known only to those with a spirit for adventure.

Expect the **simple vintage style** of a bygone era. The quiet luxury of a life slowed down. We offer no digital updates—only the rustle of a map and the charm of a hand-printed guide to the wonders that lie ahead.

Will a seat be claimed before the whistle blows?

Please RSVP to the The Compass Society Station Master who is your Tour Escort. Contact me now to secure your place.

Spaces are strictly limited to ensure the intimacy of the voyage.

DAYS 8 TO 11: B PLUS L OR D

ITINERARY MAP

WELCOME TO CANBERRA!

Though Canberra is ranked as one of the top cities in the world to visit, Australians tend to overlook it as a poor cousin to other cities.

We know it as Australia's Capital City and we all know it's home to our parliament—but it offers so much more

Over five days you will be filled with wonder.

Canberra is well-known for its **national attractions**, but it is a **haven for heritage, history, art and food**.

While it is a relatively young city it offers a touch of magic for those who know where to find it!

When I mention that the ACT offers **exceptional wine**, friends look at me in total disbelief! There are **over 140 vineyards and more than 50**

wineries within close proximity to the city.

The **Kingston Markets** offer a fantastic start to anyone's Sunday morning! Held in the Old Bus Depot it is jam packed with foods that cover every palate as offerings tantalise your tastebuds! Then there is the artisan crafts including jewellery, clothing art and ceramics. It has something for everyone and is a bustling and exciting way to start your day.

We have heard of the **National Portrait Gallery** but do you have any idea of just how many portraits of prominent PEOPLE are housed in this magnificent building? Did you know that all subjects are Australian?

The **Australian War Memorial** has evolved over many years. It's not just a museum; it is a national icon. It is a

museum, a shrine, and an archive.

You will stand in awe when visiting the aircraft gallery and you will be transported back to a time in Australian history when war had an impact on the everyday lives of those who fought overseas and those who remained at home. Men, women and children found their everyday lives changed forever and here, we can see and hear their stories that should never be forgotten.

Few know that in 2023, the Australian War Memorial was listed as one of the top free tourist attractions in the world.

There is **so much to create wonder in Canberra** and in our five days, we will only experience the tip of the iceberg! Let's explore together.

Day 12

THURSDAY 8TH APRIL 2027: CANBERRA – HOBART

What a nostalgic journey! Today we transfer from our hotel to Canberra's airport before we arrive home with new found friends and memories to last a lifetime. **B**

Included meals as shown in the itinerary:

VINTAGE RAIL JOURNEY

ALL-INCLUSIVE

Lounge Carriage

From the moment you step aboard, everything is taken care of. Vintage Rail Journeys continues to deliver the charm, character and sense of fun our guests know and love. With all-inclusive dining, fine regional wines, barista-made coffee, and thoughtfully curated Off Train Experiences, every detail has been considered. All you need to do is sit back, relax, and enjoy the ease and comfort of a Vintage Rail Journey.

Unique Tours & Experiences

While the captivating world of vintage train travel is in itself an experience, sometimes it's good to step off the train and stretch your legs as you explore the special places you find yourself in. In between tracing a path through the New South Wales heartland and coastline, each leg of our rail tours are marked with Off Train Experiences. Included in your journey, each Off Train Experience tells a story, providing a sense of history, people, and culture which are unique to their part of Australia.

YOUR ONBOARD EXPERIENCE

Lounge Carriage

Join us in the Lounge Carriage, the social heart of the train. This is where stories are shared, connections are made, and time slows down. With all-inclusive travel, you can savour Australian wines, beers, barista coffee, soft drinks and juices. Whether you're mingling with fellow travellers or simply watching the landscape drift by, the Lounge Carriage is where the journey becomes just as memorable as the destination.

Dining Carriage

Prepared fresh by our onboard chef, each dish is hearty, flavourful and inspired by the regions we travel through. Enjoy your meal with your beverage of choice, it's all included in your fare. It's warm Australian hospitality, served with a side of ever-changing scenery.

Luggage

Your cabin is compact, so anything bigger than carry-on luggage will be a squeeze. Each guest's suitcase should be 56cm high x 36cm wide x 23cm deep. A garment bag is also a good idea, as there is hanging space in all cabins.

Large luggage can be stored in our luggage van, however you won't be able to access it during your journey.

Fitness & Mobility

Our tour does not require a special level of fitness, however you must have a good level of mobility. Heritage trains are not designed to accommodate wheelchair bound or walker reliant passengers. If booking a Heritage Twin Cabin, one member of your party will need to be able to climb a ladder up to and down from the top bunk. You will need to be able to embark and disembark trains, coaches and other methods of transportation without assistance, handle your own luggage, walk moderate distances, stand comfortably and climb steps and stairs.

VINTAGE RAIL JOURNEY

YOUR CABIN AWAITS YOU

Please request a copy of the Product Disclosure Statement provided by the insurer of your choice from your consultant.

Cancellation fees may also apply to any additional services, reserved prior to, during and after the tour. Notice of all cancellations must be made in writing to Home Travel Company on or before final payment due date. Loss of payment. After final payment due date: 100% of total price. Cancellation fees also apply to any additional services, reserved prior to, during and after the holiday.

Home Travel Company and the carriers, accommodations, and other suppliers providing tour services shall all be known as the 'Operators' and reserve the right to cancel or re-schedule any vacation departure. If cancellation is made prior to departure of the tour, the only responsibility of the Operators will be to refund to the passenger the amount we have received for the reservation. We will try to re-book the same holiday with a different departure date, or a similar tour. Where the Operators have confirmed flights, we will try to confirm air seats for the selected new dates, subject to availability. The Operators cannot assume responsibility for any additional costs or any fees relating to the issuance and/or cancellation of air tickets or other travel arrangements.

REVISION FEES A fee of \$150 per transaction will be charged for any alteration or revision made to a reservation, plus any additional costs from Operators. Airline penalties may also apply. A change to traveller name, holiday date or tour itinerary at any time will be treated as a cancellation and new reservation; standard cancellation fees apply.

PARTICIPATION For the benefit of everyone on your holiday, the Operators reserve the right to accept or reject any person as a holiday participant, and to remove from the tour any participant whose conduct is deemed incompatible with the interests of the other participants.

TRAVEL FITNESS All tour participants must be able to walk a minimum of 2km over uneven ground, handle their own luggage including carrying up and down flights of stairs if necessary, and be in a position to board and alight transportation without assistance. If guests are unable to fulfill these requirements individually, an accompanying travelling companion must accompany travellers to provide direct assistance with these requirements throughout the trip.

TRAVELLERS WHO NEED SPECIAL ASSISTANCE You must report any disability requiring special attention to Home Travel Company at the time the reservation is made. The Operators will make reasonable attempts to accommodate the special needs of disabled travellers, but is not responsible in the event it is unable to do so, nor is it responsible for any denial of services by carriers, hotels, restaurants, or other independent suppliers. Most transportation services, including the touring motor coach, are not equipped with wheelchair ramps. We regret that we cannot provide individual assistance to a tour participant for walking, dining, getting on and off motor coaches and other vehicles, or other personal needs. A qualified and physically able companion must accompany travellers who need such assistance, and must assume total responsibility for the disabled participant's well-being. Motorised scooters are unsuitable for the tour described in this flyer.

SMOKING Smoking is not allowed on transportation or accommodations.

Prices are per person, based on two persons sharing a room. Single room supplements are listed where applicable.

ACCOMMODATIONS The accommodations listed in this flyer are intended to be used on this departure; however, if a change becomes necessary for any reason, the accommodations substituted will be equivalent in standard to those shown. Every effort is made to reserve your preferred room request. It may occasionally happen that an accommodation provides some double-bedded or twin-bedded rooms, as room configuration is at the discretion of individual hotels. Please note that accommodation check-in times vary worldwide. Paying for a single supplement ensures own room, not necessarily a twin bedded room.

Accommodation throughout this tour will be variable in style and standards, however we have secured the best options available in the areas we will visit.

The Tour Escort's decision is final, and check-in to all hotels will be the responsibility of your Tour Escort.

BAGGAGE ALLOWANCE Portage including airport portage at beginning and end of the vacation is not included. Due to limited coach capacity, this single bag should have dimensions not exceeding 76x53x28cm (30x21x11"). We regret we are unable to accept a second suitcase, or any luggage exceeding these limits. Please talk to your agent for baggage weight restrictions. We recommend you consult your air carrier as size and weight limitations vary from airline to airline and even according to destination, and are becoming more restrictive. The Operators are not responsible for additional fees imposed by air carriers. Regulations within most airports require that travellers handle their own luggage through customs.

Your carry-on bag should not exceed the dimensions of 30x28x14cm (12x11x6"). For safety reasons wheeled carry-on bags are not suitable as hand luggage on motor coaches and mini-buses.

No responsibility is accepted for loss of or damage to baggage or any of the tour participant's belongings. Baggage insurance is recommended.

DINING A restaurant or date of a dinner may be substituted at any time due to reasons beyond the Operators' control.
