FOREWORD

The Compass Society has been synonymous with exclusive escorted world travel and adventure tours for over 25 years. We're a business with deep Australian roots, and it's a privilege to turn our global perspective inwards to focus on the unexplored wonders of our own backyard.

After a very successful tour back in 2021, we have a marvellous opportunity to delve again into the brilliance of South Australia and now extending to Western Australia, as seen by very few.

We are very proud to present **The Great Unknown** of South Australia and Western Australia. Through experience, we have learned that an extended stay in any one area provides a better opportunity to fully appreciate the nuances and delights of a remarkable destination. At every turn you will have a sculptured and amplified experience in a very unique area of Australia.

This tour has created a set of its own challenges in its creation due to the remoteness of the areas we will be visiting.

Far from an average coach tour – **this exclusive, fully-escorted journey is hallmarkd with a number of establishments and flagship businesses, all of whom are united in their desire to provide us with unforgettable experiences.**

The Compass Society would like to take this opportunity to thank the accommodations, the coach company and rail operators, the museums, the restaurants, and the attractions for joining us to showcase the very best of what they do. It truly is a pleasure to come together with such dedicated Australians.

Days 3 to 5

**SATURDAY 20TH TO MONDAY 22ND
JUNE: COOBER PEDY**

This fascinating town is largely subterranean, with more than half of the community underground. The unforgiving landscape is visually reminiscent of the surface of the moon, but the heat of the desert is rivalled by the warmth of the locals. We will visit the Opal Museum, a working mine, the unique Serbian Church, see the dog fence and Moon Plains as well as the Big Winch. Continental breakfasts and evening barbeques will be our standard fare during our time in Coober Pedy. As always, there are some wonderful surprises in store for us, as we channel our pioneering spirits in this incredible environment. Meals (days 3-5): **CB, D**

Day 6

**TUESDAY 23RD JUNE: COOBER
PEDY – WILLIAM CREEK**

This morning we will enjoy a private flight over the heart of the outback as

we wing our way to Mount Eba Station. This sheep station is located in the geographical centre of South Australia. We've been invited on a private tour of the property to learn how the dedicated professionals that call Mount Eba home run a working station.

After departing Mount Eba, it is a short hop to the pristine Anna Creek Painted Hills. Formed over 130 million years ago, this unique, unblemished 30 kilometre stretch of land is the sole remaining example of ancient glaciation on earth. After landing at Anna Creek Painted Hills, we will take a guided tour through these spectacular mounds of sandstone, which gives us the perfect opportunity to appreciate the beauty and fragility of this dramatic landscape.

Leaving the Painted Hills, we fly to William Creek where we will spend two nights at the iconic William Creek Hotel. As sunset approaches, we travel to William Creek Ridge and watch the spectacular orange glow fill the desert sky. **B, L, D**

Day 7

WEDNESDAY 24TH JUNE: WILLIAM CREEK & OODNADATTA

Departing William Creek at daybreak, a full day of adventure awaits. Flying over Anna Creek cattle station towards Australia's largest salt lake – Kati Thanda – Lake Eyre. The only way to truly understand the majesty of this lake is from the air. As the morning sun glistens off the salt of Lake Eyre, see the landscape erupt in a dazzling array of patterns, textures and colours. We will head northwards up Lake Eyre towards the Warburton River Inlet where the intricate river systems enter the lake. From here, we skirt the edge of the Simpson Desert for Witjira National Park, where we will find Dalhousie Hot Springs.

Swim, relax and soak in the largest thermal ponds in Australia – a natural spring-fed billabong at a constant 38 degrees. No doubt by this time we will have built up an appetite for lunch, so we will fly on to Mount Dare Station be ready for lunch, located just 10km from the Northern Territory border, we meet the owners Graham and Sandra Scott as we enjoy a pub lunch in the true outback.

The day is far from over as we fly onwards to the unique outback town of Oodnadatta. We will be taken by a local resident on a ground tour of Australia's hottest town, including a stop at the Railway Museum (the former railway station building) here we learn of the history of Oodnadatta and the

rich history of this part of the world. Of course, we can't leave Oodnadatta without a stop at the famous Pink Roadhouse.

Departing Oodnadatta we'll travel over cattle country, gibber plains, sand dunes, floodplain country including the Neales River and the Davenport Ranges before arriving back at William Creek. Time to relax and unwind reminiscing over our phenomenal day. **B, L, D**

Day 8

THURSDAY 25TH JUNE: WILLIAM CREEK – MARREE

After breakfast, the Mayor of William Creek will give us a grand tour of the town highlighting the origins of iconic William Creek. We will hear about the birth of the Old Ghan Railway, the overland Telegraph Line and how William Creek became what it is today. Following lunch, our private pilot will fly us to our destination of Marree. After flying over Lake Eyre South, we have one more surprise in store. The mysterious Marree Man! Our pilot will tell us about this giant geoglyph and why it remains a mystery to this day. On arrival at Marree, we meet with our driver and guide who will be with us until our rail journey. Dinner tonight will be at the Marree Hotel. **B, L, D**

We will experience this extraordinary landscape which has been forming over the last 800 million years and has been home to Adnyamathanha people for tens of thousands of years. During our time in this area we will see a number of outback country towns including Blinman as well as exploring the Bunyeroo and Barchina Gorges. Meals (days 9 to 11): **CB, D**

Today we will enjoy a very special trip onboard a private train. We travel

by diesel train down to Port Augusta which is a city of approximately 14,000 residents. Whilst here we will visit Wadlata Outback Centre which includes the "Tunnel of Time". INTRODUCING...

INDIAN PACIFIC

With its bold wedge-tailed eagle emblem symbolising the scope, range and significance of each epic journey, the *Indian Pacific* traverses mountain ranges, passes through arid deserts and goldfields, through rocky valleys and desert savannahs on its transcontinental crossings.

Stepping aboard the mighty train, you'll feel a great sense of anticipation as this unforgettable Australian adventure begins to unfold. Whether you're

journeying from the Indian Ocean to the Pacific or the other way round, you'll be making your way across the longest stretch of straight railway track in the world.

When 10,000 people lined the East Perth Terminal in 1970 to herald the first unbroken rail journey across the country – a new, seamless connection between the Indian and Pacific Oceans – an historic Australian milestone was achieved and the *Indian Pacific* took its

name from the coasts it joined.

This incredible crossing is one of the world's great rail journeys. An adventure of contrasts, it encompasses the towering majesty of the Blue Mountains to the barren expanse of the Nullarbor, and every goldmine, ghost town and grapevine in between. From inside and outside your cabin, you'll be captivated by the vast beauty of this magnificent country.

Immerse yourself in the world of romance that epitomises rail travel with our Gold offering. Our most popular option has everything you'll need to feel at home for the duration of your journey.

Choose between Gold Twin or Single cabins, both of which provide the perfect place to relax and recharge after a day's journey. Spend hours deep in conversation with new friends in the shared Outback Explorer Lounge, sipping on barista made coffee, or a glass of white wine. Later make your way to the Queen Adelaide Restaurant to dine.

Gold includes hearty breakfasts, two-course lunches and three-course dinners. You may also choose to complement your meal with our selection of premium wines and beverages, all included in your fare.

GOLD SERVICE FEATURES

Spend hours deep in conversation with a travelling partner or lose yourself in a lifetime of thoughts. And after a day of off-train activities, your cabin provides the perfect place to relax and recharge before heading for the lounge or dining carriage. With room to stretch out and all the comforts of home, Gold is the most popular choice aboard the Indian Pacific. You'll enjoy private cabin accommodation together with all-inclusive dining, beverages and a range of fascinating Off Train Excursions at key stops.

- For **Gold Twin**, a comfortable sleeper cabin featuring a private en suite with upper and lower berths that convert to a three-seater lounge by day.
- For **Gold Single**, a compact sleeper cabin featuring a bed that converts to a seat by day with full leg extension bench seat, and shared shower/toilet facilities located at the end of the carriage. The soulful, reflective and contemplative nature of moving across the continent by train is ideally suited to travelling

solo, but you can be as quiet or as social as you wish.

- Power outlets in cabin
- Complimentary Australian-made toiletries.
- In-cabin music channels and journey audio commentary available
- All-inclusive dining in the Queen Adelaide Restaurant
- All-inclusive Australian wines, beers, base spirits and non-alcoholic beverages
- All-inclusive Off Train Experiences

OFF TRAIN EXPERIENCES

COOK

Hidden in the vast interior of South Australia lies a ghost town that once bustled with life. Today, the town of Cook is home to lonely buildings and a population you can count on one hand – but in its heyday the location was an important part of the development of Australia's interior.

Established in 1917, Cook was originally built as a support town for the railway, with more than 50 people helping to maintain the tracks. Step off the train for a nightcap and late-night bonfire, while you can bask under the vast Nullarbor sky and lose yourself counting shooting stars.

RAWLINNA

On the fringes of Australia's biggest sheep stations, this little outpost on the Nullarbor Plain is pure jackaroo country. By car, Rawlinna is a five hour trip from the nearest big town, Kalgoorlie. The Rawlinna Station is home to up to 80,000 sheep spread across 2.5 million acres. To put that into perspective, one

paddock alone takes 8 hours to muster by plane.

During the winter months guests will be invited to disembark to partake in drinks, canapes served around a bonfire under the wide Nullarbor skies.
